INTRODUCTION AND PHILOSOPHY

Mission Statement:

Teen challenge of Arkansas is a Christian growth program and recovery program that helps people address life controlling problems

We are a residential center which helps men ages 18 and above with life-controlling problems such as drug or alcohol addiction by providing Christian growth and discipleship for those who qualify. Services are provided without regards to race, creed, color, gender, religion, age, national origin, disability or other biases prohibited by State and Federal Law.

Due to the nature of our program, it is completely voluntary. Those desiring to enter the program must enter with the understanding they plan to complete the entire program. Our program is approximately 15 months in length. The Induction center takes approximately 5 months to complete. Each week a student will participate in 13 chapel services, 35 hours of Bible study and 30 hours of work therapy. To be considered for promotion to the training phase, a student is required to complete 16 weekly Group Study classes and 4 Personal Learning Contacts.

Once approved for promotion, a student is transferred to the Mid-America Teen Challenge in Cape Girardeau, MO for a period of 10 months. Students will continue in Bible study and practical application classes as well as a work therapy program. At either center he will have the opportunity to work towards a Graduation Equivalency Diploma, (GED).

We want to provide a safe place in which to discover God's grace. Our top priority is to help our students see the love of God in our lives, words and actions. We strive to be consistent and fair in our judgments and actions with the students. We place great value on reflecting Christ in our rules and their enforcement.

The following pages contain guidelines that have been developed in order to maintain a safe and structured environment. Everyone has the responsibility of upholding these rules. Because there is no way to foresee every potential situation, we also have understood guidelines for conduct that are held as general practice, but not necessarily written as policy.

STATEMENT OF FAITH

- We believe the Bible is the inspired, infallible, and authoritative written Word of God.
- We believe there is one God, eternally existent in three persons; God the Father, God the Son and God the Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, His virgin birth, His sinless life, His miraculous ministry, His vicarious and atoning death, in His bodily resurrection, in His Ascension to the right hand of the Father, in His personal return to earth, at which time he will judge the quick and the dead.
- We believe the only means of being cleansed from sin is through repentance and faith in the precious blood of Jesus Christ and that regeneration by the Holy Spirit is absolutely essential for personal salvation.
- We believe in the ordinances of the church: Holy Communion and Water Baptism by immersion
- We believe the Baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it.
- We believe in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life.
- We believe in the Blessed Hope, the imminent return of Jesus Christ followed by his reign on the earth for 1,000 years.
- We believe in the resurrection of the saved and the lost, the one to everlasting life and the other to everlasting damnation.
